Be Heard

The U of U Academic Senate ad hoc Committee on Divestment and Strategic Reinvestment will be holding a series of Town Hall meetings (via Zoom) during Fall 2020.

This committee is charged with making recommendations to the Academic Senate related to the questions of whether the U should divest from fossil fuel corporations and if so, what strategies might be pursued to guide reinvestment. The committee hopes that our recommendations will be based on both sound research and feedback from the U community.

The first session on August 31 from noon to 1 is an information session. Join us to learn more about divestment, the ad hoc committee’s charge, the process for Town Hall feedback meetings, and more. Use this Zoom link to join: https://utah.zoom.us/j/97127708532.

More information about the ad hoc committee can be found here: senate-ad-hoc-committee-for-divestment-and-reinvestment-investigation.

Now Accepting Staff Scholarship Applications!

Apply for Staff Scholarships - general and/or Tom Loveridge. The next Staff Scholarship deadline is September 15th to be considered for the summer semester. Scholarship applications are open on a rolling basis and reviewed 2-3 times per year.
