Introducing **Molly Hoover**, one of the Summer recipients. Molly works as a Senior Neuropsychology Technician at University of Utah Hospital OPC and had a few things to say about being a recipient of this award.

I am incredibly grateful and honored to receive this professional development award. Receiving this scholarship will support my pursuit of obtaining my Master's degree in Clinical Mental Health Counseling. I am thrilled that the Staff Council is choosing to support degrees in the area of mental health, and I am excited to be a part of greater access to mental health services here at the University of Utah. This award will facilitate my commitment to increasing the well-being of our patients!
